

## UNIT 27

### as long as, as soon as

1. 'as long as' is used when an incident or event can only happen if a condition is fulfilled.

#### Example A

You may go out to play when you have done your chores.

#### Answer 1

**As long as** you have done your chores, you may go out to play.

#### Answer 2

You may go out to play **as long as** you have done your chores.

#### NOTE:

The word 'when' has been excluded from both answers as 'as long as' takes its place. You do not need to change the given tenses for either answer. Remember to include a comma when beginning the sentence with 'as long as'.

2. 'as soon as' is used when a sentence indicates that an action has to be carried out at once.

#### Example B

I will start my revision the moment I finish my lunch.

#### Answer 1

I will start my revision **as soon as** I finish my lunch.

#### Answer 2

**As soon as** I finish my lunch, I will start my revision.

#### NOTE:

'the moment' is excluded from both sentences as 'as soon as' in each answer has the same meaning. Remember not to change the tenses in the given sentence. In this case, do not be tempted to change 'finish' to 'finished' in your answer.

## EXERCISE

For each question, rewrite the given sentence(s) using the word(s) provided. Your answer must be in one sentence. The meaning of your sentence must be the same as the meaning of the given sentence(s).
